## Welcome!

Geelong RC Racers are excited to welcome you to the 2023 RCRA 1/10 Scale On-road Victorian State Titles presented by Hobbies Direct.

Version 3.2

## Scrutineering

Competitors can have their cars scrutineered from 7.00am on Sunday the 11th.

## Control Tyres

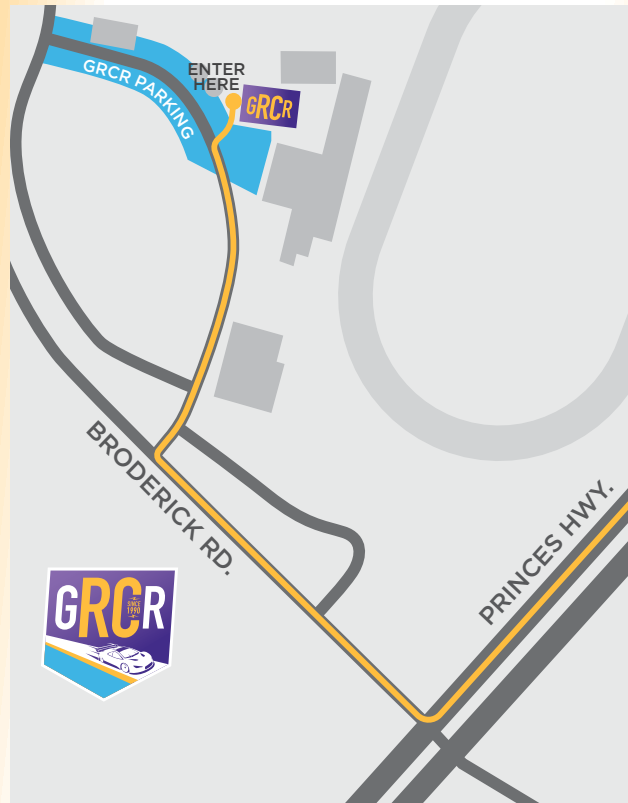

Competitors can collect their control tyres at the Tyre Booth from 7.00am on Sunday the 11th.

## Contact Us

If you have any questions please email GRCC at [info@grccc.org.au](mailto:info@grccc.org.au)

# EVENTGUIDE

## Getting to GRCR

GRCR is located off the Princes Hwy at Beckley Park, 40 Broderick Rd. Corio.

## Parking

Beckley Park is a shared facility. Our allocated parking area is either side of the road near our circuit as shown in blue.

## Pit Areas

Interstate competitors will have pit tables and chairs provided in the area located behind the back straight wall.

GRCR members will be allocated a pit in the Club Rooms.

Other Victorian competitors should bring one table and chair per driver for pitting in the supplied marquee adjacent to the circuit. Please limit the width of your table to 1.8m where possible to maximise space.

Additional pits will be allocated in the Club Rooms and overflow areas provided at GRCR's discretion.

The area either side of the drivers stand must remain clear at all times, so please pit where instructed.

## Catering

The Hobbies Direct Catering Tent will be operating throughout Sunday and Monday serving a delicious range of meals, snacks and beverages. All proceeds go the club and we appreciate your support!

## Club Raffle

We have a club raffle happening over the weekend with plenty of great prizes. You can purchase your tickets directly from the GRCR website.

## Toilets

Toilets are located in the adjacent building.

## Marshalling

We expect every competitor to take their turn marshalling.

After your race, place your car in parc ferme for inspection and proceed to one of the 6 designated marshal posts.
